

2016-17 Dresden Goals

Goal 1: Explore, identify and assess a climate of care

- Review school and community expectations we place on our students focusing on the “whole picture”
 - Assess policies and practices related to homework
 - Review grading practices
 - Assess role of extracurricular programs
 - Assess student leadership opportunities and their role in our program

Goal 2: Foster a culture of Leadership

- Identify leadership needs throughout the district (including administration, staff & board)
- Develop and support opportunities to grow talent internally to meet district needs
- Assess student leadership opportunities and their role in our program

Broad Goals Identified at the Annual Retreat

RMS

- Explore, identify, and assess a climate of care.
- Facilitate opportunities to work and learn collaboratively about effective leadership strategies and practice.

HHS

- School and community expectations we place on our students; “the whole picture”
 - Homework
 - Extra-curriculars
- Look at bigger changes?
 - Grading
 - Schedule change
- Leadership
 - Student Council – excellent resource
 - Staff - Department Heads and Coordinators
 - Continue to build cross-building opportunities

RMS Building Goals (Developed by RMS Staff)

- Goal: Share practices within and among schools by observing each other’s teaching, creating opportunities for feedback, and developing shared professional development opportunities.
- Goal: Develop more socially responsible students at RMS. (Socially responsible=respectful, empathetic, compassionate, kind, and a community member)
- Goal: Develop teacher, student, and classroom Schoology Learning Management System use and application.
